GENERAL ALPHABETICAL INDEX

Volume 183 January - June 1975

A

ACCOUNTING

The lag-and-attrition effect: General Telephone & Electronics' Brophy at NARUC convention (N) Jan 15 ... 85
Pennsylvania P&L adopts a deferral accounting method for fuel costs — Fuels outlook Jan 1 ... 39
President Ford's proposed reform of electric utility regulation and accounting practices: Road to utility revival strewn with thorns (N) Feb 15 ... 27

ADVERTISING

see also **Public Relations**
"Fairness doctrine": group of congressmen and environmentalists asks for free time on radio and TV to broadcast advertisements opposed to nuclear energy (N) Mar 1 ... 13
Gulf Power ad program takes aim at air standards Feb 1 ... 52
Iowa stockholders damned for utility ads (N) Mar 15 ... 13
Selective marketing emphasizes heating at Iowa P&L. Dallas K. Hamerlinck Jan 1 ... *54
Utility-company advertising and/or promotion practices still active issues May 1 ... 63

AIR CONDITIONING

Axial fan sales surge ahead (N) (charts) Apr 15 ... *106

AIR POLLUTION

see **Environmental**

APPLIANCES

Assn of Home Appliance Manufacturers sets new appliance standards Mar 1 ... 53
Energy consumption data for refrigerators and freezers available (N) Mar 1 ... 13
Microwave cooking: Does microwave cooking save energy? Jane Butel (tables) May 1 ... 62
Shipments in 1974 off (N) Feb 15 ... 23
Westinghouse sells major-appliance business to White Consolidated Industries (N) Jan 15 ... 21

ASIA

Japanese HTGR? (N) Jan 15 ... 34

ASSOCIATIONS

American Bar Assn's Public Utility Law Section urges law students to join the section (N) Apr 15 ... 102
American Gas Assn: Methanation plant upgrades Btu of gas from coal Mar 1 ... 36
APPA-NPPA joint Engineering & Operations Workshop: Fuel shortages into long-range plans (N) (chart) May 1 ... 78
ASME's 20th annual International Gas Turbine Conference: Maintenance seen as top problem for gas turbines (N) June 1 ... 94
ASTM validates measurement standards. Walter V. Cropper Apr 15 ... *52
ASTM's Project Threshold: Smoke readings by Ringelmann method vary with observers (chart & table) Jan 15 ... 57
Assn of Home Appliance Manufacturers sets new appliance standards Mar 1 ... 53
Construction Equipment Exposition & Road show (ConExpo): Big machines highlight 1975 ConExpo Apr 15 ... *77
EEI Conservation & Energy Management Div meeting sees need for marketing on upswing (chart) Apr 15 ... 84
EEI endorses Hosmer bill which would set up USEC, a government enrichment corporation (N) Jan 1 ... 30
EEI 56th Semiannual Electric Power Survey: No shortage of manufacturing capacity seen (N) (charts & tables) Mar 1 ... 62
EEI president Crawford at San Francisco security analysts meeting: A little gild on all the gloom (N) Apr 1 ... 13
EEI releases study on economic growth, pricing, and energy use (N) May 15 ... 19
EEI takes middle road in debate on growth patterns (N) June 1 ... 25
EEI will study nuclear-fuel supplies through the year 2000 (N) May 1 ... 15
EEI's new chairman Sherwood L. Sibley: 'The worst could be behind us' — interview June 15 ... *40
Illuminating Engineering Society meeting: Dialogue explores FEA's lighting role — Q&A period with Dr. M.L. Savitz and F.M. Coda Apr 1 ... 60
IEEE Power Engineering Society winter meeting Economizing can cost too much (Ed) Mar 1 ... 7
Cost-benefit analysis could work as regulatory tool (chart) Mar 1 ... *26
Futuristic concepts capture primary interest (table) Mar 1 ... 35
T&D engineers discuss design, system protection (charts & tables) Mar 1 ... 42
System planners fathom latest progress (charts) Mar 1 ... 48
IEEE starts monthly survey of membership on unemployment (N) Mar 1 ... 56
IEEE's Radio Noise & Corona Subcommittee
Field study to determine measuring techniques etc. for TV interference (N) Jan 1 ... 19
Accurate data essential for reducing RI and TVI. Nestor Kolcio (charts) Jan 1 ... 45
International Energy Engineering Congress & Exposition report aims at compromise (N) Jan 1 ... 58
Manufacturers of Aerial Devices & Digger Derricks Council adopts a logo Feb 1 ... *51
NARUC annual meeting: Major regulatory reform — is it in the cards? (N) Jan 1 ... 25
NARUC talks of financing, rates, controls (N) Jan 1 ... 26
NARUC convention: The lag-and-attrition effect — General Telephone & Electronics' Brophy (N) Jan 15 ... 85
NARUC convention hears speech by T.J. Komona: Needed: Candor and confidence — Part II (N) Jan 1 ... 14
NARUC names Ralph H. Wickberg as president (N) Jan 1 ... 22
NEMA projections: Sales of electrical equipment to slip in 1975 (N) (table) Feb 1 ... 62
NEMA says OSHA's proposed noise level legislation would adversely affect switchgear and other protective devices (N) Apr 1 ... 17
NRECA meeting: co-ops study high cost of power (N) Mar 1 ... 26
SEE time-of-day metering seminar (N) Mar 15 ... 17
World Energy Conference's Third National Energy Forum speakers predict energy shortfalls (N) June 15 ... 32

AWARDS

FEA announces availability of energy-conservation awards (N) Jan 1 ... 19
IEEE awards: 1975 William M. Habirshaw Award to H.R. Stewart; L.F. Hickernell Award to K.L. McGowan; Meritorious Service Award to H.C. Barnes (N) Feb 15-24, Mar 1 ... *26
The Miami News Businessman-of-the-Year in Dade County goes to Florida P&L's Marshall McDonald (N) Apr 15 ... 102
National Safety Council's Award of Honor goes to TVA's Sequoyah Nuclear Plant construction project (N) June 1 ... 33

B

BATTERIES

Electric vehicles see **Industrial Applications** — Electric cars

BOILERS

Fossil-boiler orders surge, then sag (tables) May 1 ... 39

BONNEVILLE POWER ADMINISTRATION

Bulk power outage (table) Apr 15 ... 71
Extortion epilogue: transmission-line saboteurs sentenced (N) Jan 15 ... 21
Investigates electro-optic devices for measuring the status and performance of transmission systems (N) Mar 1 ... 13

(Ed) Editorial, *Illustrated, (N) News.

Portland System Control Center will control northwest transmission network (N) Jan 1 ... 21
Stresses in transmission towers created by wind will be studied (N) Feb 15 ... 21
Transformers ordered from Westinghouse (N) Jan 15 ... *90
27% rate increase triggers clash with FPC (N) Feb 1 ... 21

BOOK REVIEWS
Dictionary of Scientific and Technical Terms (N) Feb 15 ... 88
Environmental Engineering & Science Conference Proceedings (N) Feb 1 ... 56
The Environmental Quality Report (N) Feb 1 ... 56

BRITISH ISLES
State-owned electric utility industry organization to examine possible changes (N) Feb 1 ... 30
SO_2 in low concentrations is still a suspect pollutant say London researchers (N) Apr 1 ... 19

C

CABLES
Compact cable puller proves worth for street use Feb 1 ... *51
Engineers' Forum: Experiences with sodium — a new conductor Part I May 1-51, Part II May 15 ... *58
Fault locator speeds restoration of direct-buried cable for Dallas P&L. G.P. Genschke & others (diagrams) Jan 1 ... 42
Nine 34-kv, 750-kcmil cable splices per shift — Special Distribution Report. Bodemann & Goodman Apr 15 ... *43
Pull, cut, load 40 tons of scrap cable/day — Special Distribution Report. McVaugh & Springer Apr 15 ... *36

CANADA
B.C. Hydro & Power Authority sells bonds to an Arab state (N) Jan 1-22, (N) Jan 15 ... 13
B.C. Hydro & Power Authority will appeal Peace River project decision (N) Jan 15 ... 28
B.C. Hydro Site 1 project to get Soviet and Japanese turbines and generators (N) Mar 15 ... 19
Capital spending, 1974-1975 (tables) Mar 15 ... 72
Generation added or planned, 1974-1977 (table) Mar 15 ... 74
Interconnections: Northern States Power delays proposed interconnections with Manitoba Hydro (N) May 1 ... 26
Ontario Hydro's five-year research program to develop compact EHV and UHV transmission lines (N) May 1 ... 18
St John (New Brunswick) municipal utility plans distribution expansion by simulation. John Campbell & others (charts) Apr 1 ... 45

CAPACITORS
Direct-buried capacitor banks are feasible — Special Distribution Report. V.S. Jakstys (chart) Apr 15 ... *42
Switched capacitors optimize investment. John E. Harder (tables & diagrams) Mar 1 ... *39
Variable inductance refines correction (diagrams & table) May 1 ... 56

CAPACITY ADDITIONS
Canadian generation added or planned, 1974-1977 (table) Mar 15 ... 74
84 large generating units to be built by joint participation (tables) Mar 15 ... 61
Electric power industry capability 1975 and beyond, Mw (table) Mar 15 ... 59
Fossil-boiler orders surge, then sag (tables) May 1 ... 39
Future electric generating capability additions by regions, Mw (table) Mar 15 ... 60
Generation additions exceed 1974 rural Mar 15 ... 58
Installed capacity of utility generating plants by states and type (table) Mar 15 ... 63
NERC report sees high risk in underforecasting (charts & tables) Jan 1 ... 50
New capability additions reported to EW, Mw (table) Mar 15 ... 59
Total kwhr output for 1974 was almost exactly unchanged from 1973 — EEI figures (N) Feb 1 ... 19

CARRIER CURRENT
see **Communications; Controls**

CIRCUIT BREAKERS
Coordination protects oil-field customers for Texas Electric Service. William E. Shula (diagrams) Feb 1 ... *42
Los Angeles DW&P tests new HVDC circuit breaker (N) May 15 ... 22
Proper surge arresters reduce costs. Thaik & Dickie (chart & tables) June 1 ... 50
Single-pole tripping boosts availability (diagram & tables) June 15 ... 70
Timing package trailerized. Byron G. Kreuger May 1 ... *58

COMMUNICATIONS
"Dictionary of Scientific and Technical Terms": Bringing order out of chaos (N) Feb 15 ... 8
Houston L&P: Trial run for a cab-mounted teleprinter Mar 1 ... *51
IEEE's Radio Noise & Corona Subcommittee: Field study to determine measuring techniques etc. for TV interference (N) Jan 1 ... 19
Accurate data essential for reducing RI and TVI. Nestor Kolcio (charts) Jan 1 ... 45
Microwave power transmission may eventually deliver some of the earth's future energy requirements (N) May 15 ... 21
Press coverage: editorial in Minnesota newspaper defending Northern States Power Co. (N) Mar 15 ... 170

COMPUTERS
BHI purchases computer program to evaluate proposed transmission-line routes (N) Mar 1 ... 55
Computerized study of striped-bass population to predict the impact of power-plant development on the ecology of the Hudson River (N) May 15 ... *71
Denver Technological Center (DTC), "Computer Park": Marriage, mainframes, and mergers (N) Mar 15 ... 169
Houston L&P: Trial run for a cab-mounted teleprinter Mar 1 ... *51
IEEE winter meeting: System planners fathom latest progress (charts) Mar 1 ... 48
Modeling techniques aid planning. Barry & Scott (maps & tables) Mar 15 ... 101
Monroe (La.) Utilities Commission finds computer-based solution to the problem of fading gas reserves — Fuels outlook Apr 15 ... 55
On-line costing system aids construction planning at San Diego G&E. Parsley & Rinehart Mar 15 ... *106
Optical system tracks production at Western Electric (N) Jan 1 ... *64
Solid-state fault recorders' use grows (diagrams) Jan 15 ... 62

CONDENSERS
Electronic probing system finds flaws before condenser tubes leak Mar 15 ... *88
Titanium tubes cut costs even in average water. D.M. McCue (charts) Feb 15 ... *44
Variable inductance refines correction (diagrams & table) May 1 ... 56

CONDUCTORS
Engineers' Forum: Experiences with sodium conductor Part I May 1-51, Part II May 15 ... *58
Flexible gas-insulated compact conductor for underground transmission (N) Jan 15 ... 22
Selecting proper conductor is an art. E.M. Overn (tables) May 1 ... 49

CONNECTORS
Connector design depends on arc material (N) Apr 1 ... *70
Distribution switching: Key to reliability — report. Wayne Beaty (charts, table & diagrams) Jan 15 ... *39
EPRI funds first lab tests to evaluate alternate test circuits (N) Feb 15 ... 21
Sound design assures connector integrity. Calvin C. Patterson (chart & table) (N) Mar 15 ... *183

CONSTRUCTION
Arizona PS drops 182 construction-related jobs (N) Feb 1 ... 22
Blast hard-rock poles with safety Feb 1 ... *47
Canada: B.C. Hydro & Power Authority will appeal Peace River project decision (N) Jan 15 ... 28
Construction Equipment Exposition & Road show: Big machines highlight 1975 ConExpo Apr 15 ... *77
Design specifications for guided horizontal tunneler for underground electric utility use (N) May 15 ... 22
Higher productivity requires modern operations methods — report. McGraw & Beaty Apr 15 ... *35
Pull, cut, load 40 tons of scrap cable/day. McVaugh & Springer Apr 15 ... *36
OSHA rules will affect operations. Don Ruff Apr 15 ... *38
Insulated block simplifies the reconductor job. Arthur W. (Bud) Ross Apr 15 ... *39
Direct-buried capacitor banks are feasible. V.S. Jakstys (chart) Apr 15 ... *42
Nine 34-kv 750-kcmil cable splices per shift. Bodemann & Goodman Apr 15 ... *43
'Hold down' gives lift versatility June 15 ... *79
Isometrics speed drafting of substations. Downing & Manning (diagram) May 15 ... 60
Lines and substations energized (tables)
1974 Mar 15 ... 56
1975 Mar 15 ... 57
Lumber: Treated construction lumber prevents N-plant fires Jan 15 ... *60
'Magic carpet' supports vehicles on boggy R-O-W June 1 ... *69
Manufacturers of Aerial Devices & Digger Derricks Council adopts a logo Feb 1 ... *51
Mobile hydraulic power pack eases UG jobs June 1 ... *69
New York State E&G installs flyash system without plant shutdown (N) Feb 15 ... *91
On-line costing system aids construction planning at San Diego G&E. Parsley & Rinehart Mar 15 ... *106
Plastic foam eases control-house construction at Pennsylvania Electric. Gallus & Williams May 1 ... *54
Prefab control unit cuts cost, installation time for Delmarva P&L. Robert G. Holdway Feb 15 ... *62
Quick-made enclosures for full-time winter work Apr 1 ... *38
Railroad service cut would affect construction of Boston Edison's planned Pilgrim 2 nuclear plant (N) May 15 ... 31
Roseton plant: owners of the oil-fired plant sue contractors (N) June 1 ... 20
'String-shot' safely places pulling line June 1 ... *55
Tanks: quick-make fuel tanks with fiberglass stripping Apr 15 ... *56
Tractor cabs: 'Functional posh' cab being evaluated (table) May 15 ... *66
T&D spending gains slightly (charts) Mar 15 ... 53
Transmission plans need close scrutiny (Ed) May 15 ... 11
UA union accents training for the future (N) May 15 ... 32
Vertical trencher for higher cutting pressures Apr 1 ... *58
What's waiting in the wings? W. Truslow Hyde Jr. (N) (table) Part 1 Feb 1-59, Part 2 Feb 15 ... 87

CONTROLS
Computer control see **Computers**
Prefab control unit cuts cost, installation time for Delmarva P&L. Robert G. Holdway Feb 15 ... *62
Remote feeder control cuts outage duration. E.E. Murphy (chart) Jan 1 ... *46
Solid-state fault recorders' use grows (diagrams) Jan 15 ... 62
Tower hazard-lamp security enhanced with new circuit (diagram) Apr 1 ... *50
Variable inductance refines correction (diagrams & table) May 1 ... 56
Welding: Better weld preheat control saves energy (N) Feb 15 ... *92

COOLING TOWERS
Connecticut agency reverses EPA edict and exempts Northeast Utilities from spending $150-million on cooling towers for Millstone 1-3 (N) Feb 1 ... 34
Con Edison's Indian Point 3 cooling towers' battle (N) May 1 ... 18
Cooling Tower Institute adopts new test code (N) Apr 1 ... 26
Zurn Industries sells cooling towers to Mississippi P&L and Carolina P&L (N) Mar 15 ... 19

COOPERATIVES
CFC claims boom year (N) Feb 15 ... 13
CPA and UPA studies determine optimum HVDC design for fossil-fueled plant near Underwood, ND. Robert J. Heiser & others (charts & table) June 15 ... 61
Federal Financing Bank expects to get funding for six generation-transmission co-ops involving rural co-op ownership (N) Apr 15 ... 30
Georgia co-ops report a rise in copper thefts (N) May 1 ... 17
Georgia G&T co-op will buy 30% ownership in eight Georgia Power plants (N) Feb 1 ... 19
NRECA is concerned that insured 2% and 5% loans will be unavailable for major G&T facilities (N) Apr 1 ... 20
NRECA meeting: co-ops study the high cost of power (N) Mar 1 ... 24
Statistics of REA-financed systems for calendar years, 1972-1974 (table) Mar 15 ... 71

CORPORATE CHANGES
Cleveland's Municipal Light Plant: CEI says it "just can't get too serious about buying a light plant in deplorable condition" (N) Apr 1 ... 28
New England utilities' consolidation plan turned down by SEC (N) Mar 1 ... 13
Peabody Coal Co.: a group of some 40 electric utilities will bid on purchase (N) Feb 1 ... 21
Raytheon Co and I-T-E Imperial Corp agree on merger (N) Mar 15 ... 19
Schlumberger Ltd offers to buy all of Sangamo Electric's outstanding common shares (N) June 15 ... 22
Somerset sells two T&D assets (N) Apr 15 ... 112
TVA will not go into the coal business if it can buy Peabody Coal from Kennecott (N) June 1 ... 19
Utah P&L's sale of Western Colorado Power Co. to Western Colorado Power Agency approved by SEC (N) Mar 15 ... 13
Westinghouse sells major-appliance business to White Consolidated Industries (N) Jan 15 ... 21

CORROSION
Titanium tubes cut costs even in average water. D.M. McCue (charts) Feb 15 ... *44

D

DIESEL POWER
Diesel tractor, Uchatog, enters US market Apr 1 ... *58

DISTRIBUTION
Coordination protects oil-field customers for Texas Electric Service. William E. Shula (diagrams) Feb 1 ... *42
Economic study favors 34.5 kv. Eldon D. McCollom (charts & tables) May 15 ... *54
Engineers' Forum: Protection against problems of wildlife I Mar 15 *104, II Apr 1 ... *48
Expenditures for lines and substations, thousands of dollars (tables)
1974 Mar 15 ... 54
1975 Mar 15 ... 55
FCC delays action on asserting jurisdiction over TV-cable attachments to telephone and electric utility poles (N) Mar 1 ... 11
Higher productivity requires modern operations methods — report. McGraw & Beaty Apr 15 ... *35-46
Pull, cut, load 40 tons of scrap cable/day. McVaugh & Springer Apr 15 ... 36

OSHA rules will affect operations, Don Ruff Apr 15 ... 38
Insulated block simplifies the reconductor job. Arthur W. (Bud) Ross Apr 15 ... 39
Direct-buried capacitor banks are feasible. V.S. Jakstys (chart) Apr 15 ... 42
Nine 34-kv, 750-kcmil cable splices per shift. Bodeman & Goodman Apr 15 ... 43
Scavenger hunt is obscure but a big moneymaker. Robert McCullough Apr 15 ... 45
Distribution-equipment recycling saves over $2-million in '74 Apr 15 ... 46
IEEE's Radio Noise & Corona Subcommittee
Field study to determine measuring techniques etc. for TV interference (N) Jan 1 ... 19
Accurate data essential for reducing RI and TVI. Nestor Kolcio (charts) Jan 1 ... 45
IEEE winter meeting: T&D engineers discuss design, system protection (charts & tables) Mar 1 ... 42
Lines and substations energized (tables)
1974 Mar 15 ... 56
1975 Mar 15 ... 57
Missouri PSC finds 155.5 miles of duplicate distribution lines in the state (N) Jan 1 ... 19
Modeling techniques aid planning. Barry & Scott (maps & tables) Mar 15 ... 101
OSHA's proposed noise level legislation would adversely affect switchgear and other protective devices says NEMA (N) Apr 1 ... 17
Plan distribution expansion by simulation: method used for St. John (New Brunswick) municipal utility. John Campbell & others (charts) Apr 1 ... 45
Pole-Jecay check pays off in a big way June 1 ... 55
Proper surge arresters reduce costs. Thaik & Dickie (chart & tables) June 1 ... 50
Remote feeder control cuts outage duration. E.E. Murphy (chart) Jan 1 ... *46
Researchers analyze transformer gas pressures. Dr. P. Barkan & others (charts & diagram) Feb 1 ... 45
Safer 'thumper' has insulated impulse circuit. Robert Kennedy (diagrams) Mar 1 ... 44
Switched capacitors optimize investment. John E. Harder (tables & diagrams) Mar 1 ... *39
Switching: Key to reliability — report. Wayne Beaty (charts, table & diagrams) Jan 15 ... *39
T&D spending gains slightly (charts) Mar 15 ... 53
Use a scalpel, not a broadax, in trimming distribution (Ed) Jan 15 ... 7

DISTRIBUTION, UNDERGROUND

EPRI funds first lab tests to evaluate alternate test circuits (N) Feb 15 ... 21
Expenditures for lines and substations, thousands of dollars (tables)
1974 Mar 15 ... 54
1975 Mar 15 ... 55
Fault locator speeds restoration of direct-buried cable for Dallas P&L. G.P. Genschke & others (diagrams) Jan 1 ... 42
Higher productivity requires modern operations methods — report. McGraw & Beaty Apr 15 ... *35-46
Pull, cut, load 40 tons of scrap cable/day. McVaugh & Springer Apr 15 ... 36
OSHA rules will affect operations. Don Ruff Apr 15 ... 38
Insulated block simplifies the reconductor job. Arthur W. (Bud) Ross Apr 15 ... 39
Direct-buried capacitor banks are feasible. V.S. Jakstys (chart) Apr 15 ... 42
Nine 34-kv, 750-kcmil cable splices per shift. Bodeman & Goodman Apr 15 ... 43
Scavenger hunt is obscure but a big moneymaker. Robert McCullough Apr 15 ... 45
Distribution-equipment recycling saves over $2-million in '74 Apr 15 ... 46
Lines and substations energized (tables)
1974 Mar 15 ... 56
1975 Mar 15 ... 57
Switching: Key to reliability — report. Wayne Beaty (charts, table & diagrams) Jan 15 ... *39
T&D spending gains slightly (charts) Mar 15 ... 53
Vertical trencher for higher cutting pressures Apr 1 ... *58

E

EDUCATION

Engineer supply looks brighter now — EJC report (N) (table) May 15 ... 76
Engineering Manpower Commission survey on salaries, education, jobs (table) (N) Mar 1 ... 59

ELECTRIC ENERGY MARKETING

Alabama Power details its heat-pump service data. Nance C. Lovvorn (charts & tables) Mar 15 ... 148
Central Vermont PS initiates off-peak electric-storage-heating research project (N) Jan 1 ... 21
Conservation story takes to the road: Potomac Edison's mobile display (diagrams) Feb 15 ... *80
EEI Conservation & Energy Management Div. meeting sees need for marketing on upswing (chart) Apr 15 ... 84
Electric energy sales, millions of kwhr, 1964-1974 (table) Mar 15 ... 66
Energy stamp plans
Florida Power proposes energy "stamps" (N) Apr 1 ... 17
Energy voucher works just like food stamps (N) Apr 15 ... 28
Europe: district heating systems receive attention (N) Mar 15 ... 20
FEA announces availability of energy-conservation awards (N) Jan 1 ... 19
Gulf Power ad program takes aim at air standards Feb 1 ... 52
'Heat pump' can recycle industrial heat (diagrams & chart) May 15 ... 68
HUD issues new thermal-insulation standards (table) Feb 1 ... 53
Lifeline rates hold promise and danger (tables) June 1 ... 76
Lighting
Dialogue explores FEA's lighting role — Q&A period with Dr. M.L. Savitz and F.M. Coda Apr 1 ... 60
Hinsdale (Ill.) High School improves lighting, cuts energy needs 15% Feb 15 ... *81
Studies show lighting affects productivity (charts) June 15 ... 85
Lilco takes strong stand against legislative efforts to ban electric heat in New York (N) June 15 ... 21
Marketing still has a place (Ed) June 1 ... 9
Massachusetts Electric forms Customer Advisory Council as part of a program to improve customer relations (N) Apr 15 ... 24
Microwave cooking: Does microwave cooking save energy? Jane Butel (tables) May 1 ... 62
NAHB survey says electric heat was installed in 47% of new dwelling units built in 1974 (N) Feb 1 ... 19
Profitability data help marketing effort. Keith J. Wheelahan (chart) Mar 1 ... 52
Selective marketing emphasizes heating at Iowa P&L. Dallas K. Hamerlinck Jan 1 ... *54
Small urban energy stations to burn coal (diagrams) Jan 15 ... 74
Solar-energy use studied for impact on utility in mid-Manhattan Citicorp Center Apr 1 ... *61
US Postal Service reports on electric vehicle operation (N) Mar 1 ... 11

"ELECTRICAL WORLD"

Sebesta, Donald, new Systems/Transmission Editor (N) Feb 1 ... *28

EMPLOYEE TRAINING & WELFARE

see also **Labor**
Florida P&L uses Navy-trained men for reactor control and maintenance positions (N) Apr 1 ... 40
Fringe benefits: How to cash in on the frills (N) Apr 1 ... 67
Iowa-Illinois G&E upgrades training with audio-visuals from Tri-Media System May 15 ... *47
UA union accents training for the future (N) May 15 ... 32

ENERGY CRISIS

Congress: What the new Congress holds in store for utilities (N) Feb 1 ... 27
Congress has its own ideas — Washington Comment Mar 15 ... 28
Conservation story takes to the road: Potomac Edison's mobile display (diagrams) Feb 15 ... *80
Conversion plans inch ahead — Washington Comment Feb 15 ... 29
Dialogue explores FEA's lighting role: Q&A period, after IES meeting, with Dr. M.L. Savitz and F.M. Coda Apr 1 ... 60
EEI Conservation & Energy Management Div. meeting sees need for marketing on upswing (chart) Apr 15 ... 84
EEI study on economic growth, pricing, and energy use (N) May 15 ... 19
Energy stamp plans
Florida Power proposes energy "stamps" (N) Apr 1 ... 17
Energy voucher works just like food stamps (N) Apr 15 ... 28
Energy storage see **Generators**
Federal budget: energy rates high (N) Mar 1 ... 23
FEA announces availability of energy-conservation awards (N) Jan 1 ... 19
FEA's Zarb says the energy crisis was brought about by an all-or-nothing drive to protect the environment (N) May 1 ... 15
GNP and energy growth: no uncoupling took place during 1974 (N) June 15 ... 19
Growth vs no-growth debate: EEI takes middle road in debate on growth patterns (N) June 1 ... 25
'Heat pump' can recycle industrial heat (diagrams & chart) May 15 ... 68
House freshmen's energy policy favors consumers (N) Apr 1 ... 25
In quest of reliability — Washington Comment Apr 1 ... 27
International Energy Engineering Congress & Exposition report aims at compromise (N) Jan 1 ... 58
Land-use plan surfaces again — Washington Comment Apr 15 ... 29
Legislation: Will energy law pass in 1975? — Washington Comment May 15 ... 33
Energy bills inch ahead — Washington Comment June 15 ... 30
Microwave cooking: Does microwave cooking save energy? Jane Butel (tables) May 1 ... 62
Ohio governor wants to bankroll power growth (N) May 15 ... 15
Oil: Are controls loose? — Washington Comment May 1 ... 25
President Ford's proposed reform of electric utility regulation and accounting practices: Road to utility revival strewn with thorns (N) Feb 15 ... 27
Research: about 40% of energy R&D is nonnuclear (N) Apr 15 ... 28
Water problems studied at Symposium on Water Management in the Electric Power Industry (N) Feb 15 ... 28
Will utilities have the kws for a comeback? Management Report looks at conditions
I On the West Coast and in the South June 1 ... *79
II The Midwest and the East June 15 ... *97
World Energy Conference, US National Committee selects Dr. R.J. Radebaugh as its first full-time executive director (N) Apr 1 ... 20
Third National Energy Forum speakers predict energy shortfalls (N) June 15 ... 32

ENERGY RESEARCH & DEVELOPMENT ADMINISTRATION

see Nuclear Power

ENGINEERS

Duke Power and B&W host utility engineers' seminar at Oconee (N) Mar 15 ... 33
Education see **Education**
Engineering Manpower Commission survey on salaries, education, jobs (table) (N) Mar 1 ... 59
Engineers: Staffing & distaffing (N) Apr 15 ... 101
IEEE starts monthly survey of membership on unemployment (N) Mar 1 ... 56
